Covid Update

At Marind Dive Eco Resort, our priority is your health, safety and comfortable. Regarding the rapidly evolving Covid-19, we are taking standard for hygiene and cleanliness very seriously as well additional steps to ensure the safety of our guests and staff members. We act according to WHO and local health authorities' standard; we set up routines and procedures to prevent the spread of infection. Especially for our guest who come are required to use a mask, and we advised to always maintain cleanliness by diligently washing hands, or using hand sanitizer. In addition, the entire resort area is also regularly cleaned. We do really hope our guests' no longer feel anxious for stay at our resort.
